

Expression of Interest Form (EOI)

Expression of Interest Form for Wetland Restoration Funding

If you're a local farmer or landowner, this is your chance to apply for one-off funding to restore and protect wetlands in the Manuherekia catchment. Let's work together to enhance our environment and strengthen our connection to the Manuherekia River. We want to hear from you!

Do you have a piece of wetland on your land that could be enhanced through fencing, planting or weed/pest control? If so, please provide the following information:

1. Property Address

2. Primary Land Use Type

Small block Dairy Sheep and beef Fattening Other (please specify below):

3. Contact Person Details

Full name: _____

Phone number: _____

Email: _____

4. What area(s) are you seeking assistance with?

Fencing Weed/pest control Planting

5. Are you happy to participate in case studies, field days or other opportunities to share the learnings from this project?

Yes No

6. Have you received any previous funding or on-the-ground support?

Yes (please provide details):

No

7 A landowner financial contribution will be required to supplement the grant, amount to be agreed case by case. Are you able to commit to such an investment?

Yes

No

8 What are your long-term aspirations for the site? What ongoing investment and effort will you make at the site?

Please email this completed form (prior to 20 March 2026) along with a photo of the site to waiora@mcg.org.nz

If you have any questions, feel free to contact Annie Wallace at waiora@mcg.org.nz or call 021 113 0350.

Thank you for your interest in restoring our wetlands.
